We are your local neighbours and not a professional body. We can only offer help within reason, and in ways we can also stay safe. If you need medical advice, use the NHS 111 online coronavirus service at 111.nhs.uk/covid-19, or if you have no internet access call NHS 111 from your phone. In a medical emergency, dial 999.

1) **Work from home when possible and stay at home for at least 7 days if you have:**

A high temperature: You feel hot to touch on your chest or back.
A new, continuous cough - this means you’ve started coughing repeatedly.
If someone in your home has a persistent cough or fever.
Everyone living there must stay at home for 14 days.
Are over the age of 70

**DO NOT** immediately go to a GP surgery, pharmacy or hospital.
Read the NHS advice about staying at home:
