Dear neighbour,

We're only a few weeks away from the UEFA EURO 2020 tournament and we look forward to seeing you at the Football Village on Potters Fields Park.

As a recap, London will be one of 11 hosts of UEFA EURO 2020 this summer, the biggest sporting event to be hosted in the city since the 2012 Olympic and Paralympic Games. It presents a great opportunity for Londoners across our city to be a part of, and enjoy, an exciting, high profile, global event.

Potters Fields Park will be the host of the family-friendly Football Village, where Londoners and those visiting the city can come to enjoy local entertainment, football activities, food and drink stalls and screens to watch selected matches and tournament highlights.

The Football Village will not screen:

- England matches
- Matches with a 20:00 kick off time on Sundays
- The final

We are working closely with local authorities including the Metropolitan Police Service and will take their advice if any other games are instructed not to be screened.
